Homeroom Supplies may be brought in to the student's homeroom teacher during our Open House or throughout the first week of school.

- 1 box of Kleenex
- 1 pack of loose leaf lined paper
- 1 pack white/color copy paper
- 4 pack Expo Markers
- Hand sanitizer
- Post-it Notes

Note: Additional supplies may be required by individual teachers. **Please refer to each class syllabus for additional supplies.** For items such as pencils, pens and paper, we suggest that you buy enough to last the school year when they are on sale in August. Keep extra at home and give them to your child as needed.

Although the school provides the materials and supplies for basic instructional activities, the optional homeroom supply items on this list will allow your child to have an enhanced educational program. Thank you for your support!
