

Volunteer Opportunities:

Note: All volunteers working *IN* the school must complete a volunteer application and submit it and a driver's license or State ID to the front office. For a copy of this form, please click on the [PTSA](#) link, and then click on the [Volunteer Application](#) link.

Email us at PLDMSPTSA@gmail.com if you find something you want to do!

1. **Office Aides** – Answering phones, assisting students checking in late or checking out for appointments, assisting the receptionist with various projects (9:15-11:15 a.m.)
2. **Teacher Aides** – Making copies for teachers. With block scheduling, they have planning days every other day, and they can really use your help with copying (whatever time during the school day that suits you!)
3. **Dances & Planner Party Assistance:** We need people to help us prepare for these afternoon events and help with distribution of snacks (our first dance is **October 23rd**)
4. **Donate Snacks:** We collect individual size chip bags and individually wrapped candy for Dances (**Oct. 23 & April 23**) and for Planner Parties at the end of each quarter (these events are rewards for good behavior – student's whose planners have not been signed for the entire quarter)
5. **Distribute Sally Foster Orders:** **November 18th** we will be sorting the orders according to 7th period classrooms, and delivering them to the students to take home that day
6. **Book Fair Co-Chairperson** - Helping to organize a Student Crew, coming up with a theme, planning contests/games to increase sales, decorating the Media Center with the theme, scheduling volunteers to work during the book fair from **November 12-20**
7. **Book Fair Volunteers** – Run the cash register and supervise the book fair for an hour or as long as you can stay...you choose your day and times. **November 12-20**
8. **Bake!** – We will have bake sales periodically, and we will be collecting pies for Teacher Appreciation on November 24th. Let us know you like to bake, and we will let you know when we need your talents!
9. **Collect Pies** – On **November 24th** we will need people to stand in the car line in front of the school to assist with collecting the donation of pies for Staff Appreciation, and then someone to run to the store to buy pies if we do not receive 100 donated ones!
10. **Science Fair Judging** – We need people with Science background or knowledge to judge Science Fair Projects on **December 1st** from 10am to 1pm. You don't have to be an actual scientist...just have a comfort level with one of the following areas: Botany, Biology, Medicine/Health, Environmental Sciences, Chemistry, or Psychology
11. **Ice Cream Social** – Help us to dish out Ice Cream for the students and families who attend the Science Fair display and awards on **December 2nd**
12. **Membership Drive** – Help us to gain members by manning a table at various events like basketball games, concerts, book fair family night, etc. Simply have parents complete membership forms (including indicating areas of interest) and collect a \$3 membership fee
13. **Members** – It's only \$3 to be a member, and all we want is for you to be informed, and participate in anything that interests you. Just fill out a Membership Form and turn it in to the front office! Be sure to include your email address (The National PTA gets the \$3, not us...they require it...if you can't pay it, we will sponsor you!)
14. **Sell Poinsettias** – We will need people to stand in the carpool line and sell poinsettias in **December** (date TBD) during the morning drop off and/or afternoon pick-up, as well as during T/Th after school activity pick-up (5:15) until all poinsettias are sold.

MORE TO COME!!!!
